Rev. D. M. Farrow, Pastor
New Hope Baptist Church

New Hope Baptist Church was organized in August 1874 with 161 Charter members. Prior to that date services had been held at Earl School for several years. Rev. Thomas Dixon was the first pastor, and New Hope joined the Kings Mountain Baptist Association in the same year.

The first Church building was a one room structure. A much larger building was built in 1914. This building was used until August 1954 when the present building was constructed. (or occupied). New Hope has had 25 pastors during its 101 years of serving the Lord in the Earl Community.

Donald M. Farrow, the present pastor, has served New Hope since March 1970. He is a native of Wilmington, N. C., and is a graduate of Wake Forest College and Southeastern Baptist Theological Seminary.

He has served churches in Rocky Mount and Stedman, N. C. For the last 15 years he has been in the U. S. Army Reserve program as a Chaplain. Three years of this time he served on active duty with the 2nd Armored Division.

Article I Name

The name of this body shall be the Kings Mountain Baptist Association.

Article II Purpose

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad and in any other related ob-

jects such as evangelism, Christian Education, benevolent enterprises, and social services, which it may deem proper and advisable for the furtherance of the Kingdom of God.

Article III Membership

Section 1: The association shall be composed of cooperating Baptist Churches in the area of the Association.

Section 2: Churches desiring membership in the Association shall apply to the Membership Committee. Application should include:

1. Formal action by the group seeking admission reflecting that 75% of those voting expressed the desire to come under the watchcare of the Association.
2. A written statement reflecting their beliefs and practices.
3. A written statement that expresses their intent to cooperate.
4. A willingness to meet with the Membership Committee to discuss other items of mutual interest to both parties.

The Membership Committee should be sensitive to groups seeking its services and be willing to present a statement of Baptist faith and practice and what it means to cooperate with other churches in the Association in a world-wide mission program. If recommended by this Committee and accepted by the Association, a mission or a church shall agree to come under the watchcare of the Association for a minimum of one year. Membership within the Association shall be determined by vote of the Association at its annual meeting. REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1975.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1975.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year, and therefore, we have nothing to report.

Respectfully submitted,
George Hamrick

SUNDAY SCHOOL REPORT

Sunday School is the outreach and teaching arm of the church. Although some declines were experienced last year in this vital area of ministry, we firmly believe that 1975-76 is the year of REAL ADVANCE. The stress of the Sunday School in 1974-75 and 1975-76 is on adults, reaching adults, winning them for Christ, and teaching them to observe all the things that He has commanded us to do. Our particular emphasis in this year is young adults, the future of the church. Extra heavy emphasis will be laid on reaching this vital group for our Lord and for the future.

In a parallel emphasis, special groups will be noted for target group evangelism, groups such as blind, retarded, emotionally disturbed, college students, career young people, and divorced people. Because of the special needs prescneted by these groups a greater effort than ever will be placed on training to minister effectively.

To accomplish this, four age group clinics are projected. These clinics will not only stress the special target groups but also endeavor to enhance the regular program of Sunday School teaching and outreach. The four age group clinics are preschool, children, youth and adult. In addition to these there will be seminars and clinics for special training in the specialized areas.

In summary, our need is to reach out and expand our evangelistic effort in order to reach more

people for Jesus Christ. It is, secondly, to deepen people through better teaching of the Biblical revelation.

Our age stands in need of seeing again the exalted Christ who promised, "And I, if I be lifted up, will draw all men unto me." It shall be our privilege and responsibility to aid in the exaltation of Christ in outreach and teaching.

Respectfully submitted,
Genc L. Watterson

CHURCH TRAINING REPORT

The Church Training department of Kings Mountain Baptist Association is glad to make an encouraging report for 1974-1975.

While not each of our cooperating churches have an active church training union the majority of our churches has some type of on-going church training program. However it is the goal of our Associational church training department to assist those churches who do not have a weekly program to start one.

A Review of this year's Work

(1) The Church Training program of our association has had the privilege of assisting some of our local churches with their programs. We are always delighted to offer our services to the local churches, but can do so only when we are invited by the local church.

(2) We have been active in the executive committee and made regular report to the general Board of the Association. This is our way of promoting the entire Associational program.

(3) Several of the local churches along with the Associational church training leader had the privilege of attending church Training Union Conference at Ridgcrest Conference Center in the summer of 1975.

Our Goals for 1975-1976

(1) Plans are nearing completion for associational church training M-Night November 30, '75. This Rally is to be at Elizabeth Baptist Church with a record attendance expected. We plan to offer two banners this year (A) A banner to the church with the total highest number present (B) A banner for the church with the highest percent of their church training enrollment present. We have an inspiring program planned and urge every church to participate.

(2) Our church training department is now actively promoting our Associational W. I. N. Institute scheduled for 1976. This work is well underway and more information will be made available soon. We urge each church to participate in this.

(3) Our Association will join the Southern Baptist Convention in a "New Day For Training" April 4, 1976. This is an effort to establish 1196 new church training units by the above mentioned day. It is our prayers that at least six of these can be in our Association.

(4) Finally, we remind you that your Associational church training leaders stand ready to help you in any of the three areas of our work:

- A. New Members Orientation
- B. Church Members Training
- C. Leadership Training

Respectfully submitted,
Broadus Heatherly

BROTHERHOOD REPORT

On January 28, 1975, at Ross Grove Baptist Church a Brotherhood Workshop was held. We were fortunate to have leaders to teach each group of leaders.

Steve Wall of the Brotherhood Commission, Memphis, Tennessee, was the instructor for Baptist Men.

Marion Rector, pastor of Kerr Street Baptist Church, Concord, was instructor for the Pioneer group.

George Shore, Director of Missions of the Cabarrus Association, Concord, was instructor for the Crusader group.

We had a real good workshop in attendance and instruction on how to carry on the work of each group. There were sixty-five present, and we are thankful for their interest and the work they are doing with the boys of our churches.

We are thankful for the wonderful work Mr. Hal Dedmon, RA Director, has done with the boys of our Association.

I had the privilege to visit and speak with many of the Brotherhoods in our churches this year and was thrilled at the attendance and enthusiasm found.

We have a great potential in the Kings Mountain Baptist Association, and may we take hold and exercise this privilege in a greater way each year.

Respectfully submitted,
Fred Wells, Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

Last April Woman's Missionary Union began an emphasis called TIME—Training in Missions Education. This is to be continued throughout 1975-76 with both leaders and members to be given special training. At each local church council meeting once during the quarter some part of a book relating WMU to our mission boards is to be reviewed. Also at group and general meetings there will be member training.

For the 1975-76 year particular attention is being given to Baptist Young Women because of the previous low enlistment of this age group. This effort is called "A Tempo."

During the past year we held our annual spring meeting at First Baptist Church in Grover with our WMU Council in charge of the program. "The Rope of Sand," a new film on the Cooperative Program, was shown. The Leadership Training Conference was held in September at the Kings Mountain Baptist Church with about 250 in attendance.

Age-group meetings were held by Baptist Young Women in February and July, Baptist Young Women in November and March, Acteens in October and June, Girls in Action in April. The WMU Council has met quarterly for planning, and members of the Council have visited in many churches to teach mission studies, present programs and train leaders. A new WMU has been organized at Allen Memorial.

The WMU NEWS, quarterly mail-out, has been sent to pastors and all church WMU officers.

At the state W. M. U. Convention in Charlotte in March, our organization was recognized as a Distinguished W. M. U., the highest recognition given on the Achievement Guide. While we are happy over accomplishments, we also realize how much there is to be done.

Six members of the Council attended part of WMU Conference at Ridgecrest, and eight attended special leadership training at Fruitland in August.

I have attended General Board, Liaison, Executive, and Long Range Planning Committee meetings regularly this year. As an outgrowth of Long Range findings, our Council plans to emphasize Mission Action with workshops being scheduled for January.

We should like to help organize mission work in the remaining churches without it. Call on us if we can help. All of this we do because long ago Christ said, "... love thy neighbor as thyself."

Respectfully submitted,
Mrs. Hubert C. Dixon

CHURCH LIBRARY REPORT

Pastors and leaders, please encourage your members to make greater use of your libraries.

MUSIC REPORT

It is always difficult to assume the work of someone who has achieved the stature that Van Ramsey did in the Kings Mountain Association in the position of Music Director. Certainly this association's loss is Florida's gain. Van served well for many years as your director and even after I inherited the task this year, he graciously agreed to continue to completion the major musical accomplishment of the year which he had begun planning for while he was still associational music director. Although I had some input into the initial stages of plan and purpose, it was Van who did the hard job of bringing into fruition the very successful, well attended, extremely beneficial School of Music held at Elizaheth Baptist Church last February 10-13. This was not the only work done this year but certainly the most memorable and noteworthy.

I am extremely grateful to Van, Reverend Cline Borders, the Music Department Staff of our North Carolina State Convention and all those of you who participated. The remainder of this year's work has been accomplished on a personal and informal basis as needs have arisen in churches and they have seen fit to call on me as a resource person, a supplier of materials and ideas, or just a willing listener.

Respectfully submitted,
Gary L. Southard

MEMORIALS REPORT

Today, through our reports, we are looking back over the past associational year with its achievements and its shortcomings. As we are gathered here in this beautiful building and surroundings we are painfully reminded that many faces who once met with us and helped us to make our records are no longer with us. They have departed this veil of tears to be with their Maker and Redeemer in that land that is fairer than day.

Just now we pause in our deliberations to pay tribute to those who have departed our ranks to enter that celestial city. They have run the race, finished the course and are at rest, we trust, with their Saviour and Lord.

A total of 182 have passed away—including 1 minister and 9 deacons.

Like the writer of Hebrews, we think of them as a "cloud of witnesses" looking upon us with love, sympathy, prayers and goodwill. We praise God for their loyalty and faithfulness and bow our heads and hearts in humble submission to our Master's will. May their example inspire us, who remain below, to higher and nobler efforts to glorify God and to serve our day and generation more perfectly.

Respectfully submitted,
W. V. Tarlton

GENERAL BOARD REPORT

Four regular quarterly meetings of the General Board were held during the past church year. Each of these meetings was informative and inspirational. We met with the Double Springs Church as hosts in April, 1975, and Double Shoals was host in July, 1975.

Reports from committees were received, in addition to routine matters, major items of information and recommendations were approved by the General Board, some of the items were:

MEMBERSHIP COMMITTEE REPORT

The Membership Committee has been active this year. We have met with two groups: Immanuel Baptist Church and Northside Baptist Mission.

The Committee would like to recommend that the Northside Baptist Mission be taken under the watchcare of the Kings Mountain Baptist Association.

Mister Moderator:

May I make the motion that this recommendation be adopted.

HISTORIAN'S REPORT

October 22, 1975

"Remember without ceasing, your work of faith"—1 Thel. 1:3

Our clerks and historians from our various churches have recorded the thousands of data and many things our 70 churches and over 25,000 members have done this year. I am persuaded that the programs, the building additions, the new sanctuaries, the added new equipment, the baptisms, and all of the other tasks, well done, have been works of faith. We have planted, we have watered, we have cultivated and harvested in faith. This is what making history is all about. All of us have made some sort of history, some positive, some negative. Our Superintendent of Missions has made a tremendous chapter in our history with the monumental work he has done at home

and the things he and his good wife did on the foreign mission field.

Your history committee met sometime ago and set some goals for more works of faith for the new church year, this 125th anniversary year. They are as follows:

- (1) Finish the book, THE HISTORY OF THE ASSOCIATION, in 1976. Much has been done, but there remains much to do. We promise you a book and hope you will be proud of it and that it will truly reflect the work of the association during the past 125 years. Mrs. Charlotte Swift continues to assist in compiling and editing this book, and at present is working on a very full and productive chapter about the Woman's Missionary Union and its component organizations.

We are getting a lot of data but we need more photographs and more stories about the people and churches and the human interest things that have made our past so colorful.

- (2) We hope to get every church to write its own history, if it does not already have one.
- (3) Historians are urged to bring microfilming up to date. The last was done some eight to ten years ago.
- (4) Let us plan to celebrate all pertinent anniversaries, such as the founding of your church, moving to a new location, or anything else of significant interest.
- (5) We're hoping that all the churches in this association will enter into bicentennial activities and help celebrate the 200th birthday of our country, which was established in great part for the promotion and maintenance of religious liberty. Your church is an important and central part of your community and should take the lead in any bicentennial celebration.
- (6) We hope all the churches will make some contribution to the Cleveland County Historical Museum, which has a department of church history. Mr. Burie Hopper and his wife, Gladys, of this church (New Hope) are in charge of the church division. They're seeking information and articles of historical interest from all the churches of the county, and, certainly, we want our Baptist denomination to be well represented. The secular press says that Baptists are poor in this world's goods, but I believe we're rich in history and in appreciating of the things and people of the past who have made us great. Again remember "All of our work is a work of faith."

W. Wyan Washburn, M. D.

Acknowledge the good work of all officers and committees who served during the past year, and covenant to pray for and work with those elected for the new year.

Express appreciation to the Long Range Planning Committee, Dr. Fred McGehee, chairman, for their diligent work during the year and their challenge to face the future with its possibilities for work and growth in our Association.

Express appreciation to Cline Borders for his leadership, guidance, vision, patience, and

wisdom during the year, and to Mrs. Thomas Petty for her work and help to all who call upon her. Recognize the public service rendered by the following news media: radio stations WOHS, WADA, and WKMT; and newspapers THE SHELBY DAILY STAR, CLEVELAND TIMES, and KINGS MOUNTAIN MIRROR-HERALD.

And, be it resolved that we of the Kings Mountain Baptist Association will do everything possible to observe our National Bicentennial as we emphasize freedom and liberty based on the denomination theme, "Let Christ's Freedom Ring."

Mrs. Charles Alexander

Mrs. Hubert C. Dixon, Chairman

YOUTH AND FAMILY SERVICES REPORT

This past year has been one of the most effective in terms of service for our Youth and Family Services and I would like to highlight four specific areas.

I. THE COUNSELING SERVICE

- (1) Early in the year the judge of Juvenile Court began to write into their orders that certain youngsters and their families see members of the Youth and Family Services staff for counseling.
- (2) The Juvenile Counselor's office in the Law Enforcement Center began providing office space and secretarial help.
- (3) Referrals have come from the churches, from the Association office and from the medical community.
- (4) The result has been 212 interviews this year which represents a four-fold increase over 1974.
- (5) In addition to Dr. Fred McGehee, who has pioneered this volunteer counseling service in our association, Reverend Dean Coffey, in January; and Dr. Bill McKinney, in September began to assist in this counseling.

II. THE VOLUNTEER PROGRAM

- (1) Volunteers from the churches have been used on occasions this year to provide needed services for young people such as dependable, compassionate friendship, tutoring and in other ways.
- (2) We have appreciated the willingness of others to serve and we hope to use them in the future.
- (3) In September a full-time volunteer coordinator was hired by the Juvenile Court.

III. OPENING OF THE CLEVELAND COUNTY GIRLS' HOME

- (1) In January and February this year Youth and Family Services worked to secure appropriate housing for a shelter and treatment center for girls ages 9-15 with behavioral problems.
- (2) A home was opened in March on Grover Street in Shelby, and we share in the treatment of the girls living there by seeing their families and through case conferences.
- (3) This home is in need of maintenance funds this year. We do appreciate Lattimore, Boiling Springs and Double Shoals Churches for including the Home in their 1975-76 church budgets, and we hope that other churches will share with us.

IV. SPEAKING ENGAGEMENTS AND CONSULTATIONS

- (1) Although the work of Youth and Family Services is more a program of listening than of speaking, we have participated in two family life conferences, brotherhood meetings and two lectures at Gardner-Webb College.
- (2) In September we met with leaders of the County, Social Services and Gaston Association to assist them in launching a program similar to the program in our Association.

Respectfully submitted,
Dean Coffey

GARDNER-WEBB COLLEGE

J. L. Nichols, Jr., Chairman, Board of Trustees
E. Eugene Poston, President

Gardner-Webb College is enjoying the beginning of the seventieth year as a school. From 1905 to 1928 the school served students through the high school curriculum. From 1928 to 1971 two years of college studies were added. In 1971 Gardner-Webb College became a fully accredited Senior College. Gardner-Webb is also a member of the North Carolina Association of Colleges and Universities.

It is with joy and pride that the College is a part of the Baptist Family of North Carolina. The Cooperative Program is the life-line of the schools as well as missions around the world. The school keeps striving for excellence as an academic institution. The entire educational program works toward the fulfillment of the stated Purose—"To develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice."

Currently there are approximately 1400 students led by a dedicated faculty and staff of 140 people. The students and their leaders are striving daily to find God's will for their lives and preparing to carry out God's will.

Gardner-Webb College lost one of her most faithful Board members during the past year, Mr. T. R. Hendrix, Sr. of High Point. Mr. Hendrix had served on the Board for three full terms. At his death he was serving as Vice-Chairman of the Board. His influence will live on and on.

The present debt of Gardner-Webb College is \$1,410,611. It is being amortized monthly. The current Budget is \$3,909,685. The College is in sound financial condition. However, with inflation running high, there must be greater care in buying and spending. Again, the College expresses genuine gratitude to the Baptists of North Carolina for their generous support and for their prayers.

At the present time there are 302 students studying for full-time Christian service. There are 141 students who served in some capacity of Christian work during the past summer in eleven States.

Gardner-Webb College continues to give two year programs in Nursing, Data Processing, and

Secretarial Science. The College has a joint four-year program with The Bowman Gray School of Medicine in Medical Technology.

The school year 1975-1976 should be a successful one.

SOUTH MOUNTAIN BAPTIST CAMP 1975 REPORT THEME: "LOVE IN ACTION"

Thanks to God for another year of victories at South Mountain Baptist Camp. As we discussed our theme, led in worship, studied about the needs of a lost world, and prayed about God's plan for our lives, the Holy Spirit moved with great power.

We had over 4,000 in attendance this summer, including those who came as special groups. In addition, we had approximately 1,000 visitors attending the various services at SMBC. This year we had an average of 236 campers per week for the eleven encampments that were held, which included 205 from your association. Of these 4,000 campers, the Holy Spirit inspired 1,440 of them to make some kind of decision, including 407 professions of faith. Praise the Lord! We were thrilled also to present hundreds of star and honor camper awards.

Our chapel was completed enough so that we were able to use it all summer and it was a great help to us in conducting our services. We are eternally grateful to the many churches and individuals who helped us financially and with free labor, equipment and materials. Several memorial contributions were also given, which were a great help.

To date, we have spent approximately \$45,000 on the chapel, of which we still owe \$8,000. It is estimated that it will take around \$5,000 more to completely finish this project. We need fifty more churches to include the camp in their budget so that this \$13,000 can be taken care of. We also need improvements in other areas. Some churches are assuming the responsibility of improving and maintaining a cabin. Maybe your church would like to do this. We also need a storage-workshop building about 30' by 40'.

Please remember that the camp is available for church picnics, day camps, and retreats during the fall and early spring. Also, the camp is becoming more popular each year and, because of this, I urge you to make your reservations early next year so you will not be left out.

Respectfully submitted,
T. A. Lineberger

1975 ASSOCIATIONAL REPORT

Annuity Board of the Southern Baptist Convention

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about \$15 1/2 million in retirement and other protection benefits to these annuitants. In the Board's 57-year history, it has paid a total of over \$125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees—which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record \$353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to \$21 million.

Gains in other investments reduced the net loss to \$11.3 million, or three per cent based on average investments. All investment funds, whether church-related or having other connections,

suffered from the stock market decline.

As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than \$675,000 and was equal to one month's benefits. It is called a 13th Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

ASSOCIATIONAL EVANGELISM REPORT—1975

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3 1/2 years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders will attend the 5th Statewide Youth Evangelism Night—August 15—at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, is the guest speaker, and Bill and Linda Cates are the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

BAPTIST HOSPITAL REPORT TO ASSOCIATIONS 1975

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received \$258,898 through the Cooperative Program and \$392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

1975 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

Baptist state papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 50th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's CHRISTIAN INDEX, introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and skyrocketing postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina Churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

J. Marse Grant, Editor

N. C. BAPTIST HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise \$1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

THE CHRISTIAN ACTION LEAGUE

The Director of The Christian Action League, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in _____ ASSOCIATION. Our program depends upon you for its success. You provide the money, you furnish the prayer support, and you furnish the "clout" which the League has in its efforts. With trustees and friends and supporters in every Association in the State, we have a broad base of support. As we do the work of God in North Carolina, we are so very conscious of our dependency upon Him and for the wonderful way in which you have supplied our needs.

The General Assembly has been in session this year. A bill was introduced by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight. Under the present law these places can stay open until 2:30 in the morning from the last Sunday in April through the last Sunday in October. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love of Sanford to strengthen the state-wide statute regulating the flow of pornography. This proposed change would have given the District Solicitor discretionary power in the matter of the adversary hearing, and would have defined hardcore pornography in the Public Nuisance Section of the Law. This bill also failed to get the nod of the House Judiciary One Committee. We will be back in a later session with both of these concerns.

We continue to need your support. The most dependable thing to do is to place the Christian Action League in the budget of your church for a definite amount each month. As you do this, we will continue to be able to serve.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina. God created human life and thereby made it sacred. We are to recognize the sacredness of human life and seek to preserve it for God in every way that is possible.

REPORT OF THE DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over \$7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT 1975

As revealed through a Sunday School lesson during the past year, a good foundation of discipline and training in Spiritual matters is necessary for a young life to develop in a way to withstand the pressures of life during periods of stress and strain. It is almost trite to refer to the need of a good base or foundation for any activity or project contemplated in this life. Not in anyway is there a difference for a need of the Foundation, as thought of in terms of the Baptist Foundation, when we consider the future potentialities and needs to sustain and expand mission efforts and services to bring mankind into the influence of the saving grace of God's Son, Jesus Christ.

Chartered in 1919 by the Baptist State Convention of North Carolina, The North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, \$330,070.41 has been given to the N. C. Baptist Foundation, Inc., in the way of annuity trusts. In this type trust, the donors reserve the right to the income from the investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for our Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N. C. Baptist amounted to \$635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to \$2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to \$76,257.82 for the past 12 months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin S.

Coates, Executive Secretary, N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611 (Tel. No. 919-833-1605). All inquiries and assistance are considered confidential and personal matters.

1975 STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, to heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service. More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. They have gone out from our churches to serve God as He directs them. Moreover, the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by 15 percent or more, and three associations in our state had 100 percent of their churches giving through the Cooperative Program.

To celebrate the 50th Anniversary of the Cooperative Program let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.
